Kruti R Katti

I bring a UX design expertise grounded in a robust two-and-a-half-year architectural background, driven by my evolving passion for design. My innate ability to swiftly acquire knowledge and my enthusiasm for wide-ranging subjects empower me to forge meaningful connections within the design domain.

EXPERIENCE

THENCE

UX Designer

Jan 2023 - Dec 2023

- Contributed to a cutting-edge SaaS platform with a focus on end-to-end deployment solutions
- Collaborated closely with a dynamic team to design an efficient and streamlined user experience, customized to meet the needs of diverse stakeholders
- Delivered design iterations for an autotech company
- Helped conduct research for a reputed fintech company based in the middle east
- Assisted with wireframe iterations for an Indian multinational paint company

GAIA DIGITAL DESIGN **UI / UX Design Intern**

June 2022 - Aug 2022

- Helped conduct and facilitate user interviews and testing across multiple metropolitan cities for a design automation platform
- Contributed to the development of a Research Methodology Guide for a startup specializing in interior design automation.
- Ownership of wireframing and executed the visual design for a skill-based hiring platform.

FREELANCE

Designer

August 2020 - Present

- Designed and delivered desktop and mobile wireframes for Karnataka Sanskrit University, Bengaluru (NAAC accredited)
- Created book cover and illustrations for a children's book, Ishanu Tales (ISBN: 978-1-64983-766-0)
- Composing layout and designing for a American FMCG company magazine (Cargill)
